**SECO  
TOOLING  
VOUCHER  
PROGRAM**

## **IMPROVE YOUR BOTTOM LINE AND GET MORE FROM YOUR NEWLY ACQUIRED MACHINE**

Tooling up your new machine with world-class products from Seco is easier than ever with our new **Tooling Voucher Program**. If you've purchased a new or used machine in the past four months contact your Seco Authorized Distributor to participate.

- Your distributor representative will work with Seco to establish a tooling voucher based on the price of your new or used machine (typically 10% of machine tool purchase valued at tooling net price).
- You'll receive a certificate with the assigned value and a unique serial number.
- Use that serial number and promo code "**TOOLPKG**" to place up to (4) separate orders at up to 50% off for all standard steel products.

- Get up to **50% off** on all of the standard Seco steel products\*
- Perishable tooling not included
- You can order your tooling up to the value of the coupon with a maximum of (4) orders per coupon\*\*
- Use the promo code: **TOOLPKG**

\*Valid for all standard steel products only. Carbide inserts, solid end mills, kits and other promos are not included. Discount is applied from the list price valid at the time of the order. Quick line items ordered on this program cannot be returned. \*\*Vouchers valid for six months after activation.
