2022 Lunch and Learn Seminars:

Starting in March of 2022 we will begin to host our in-house lunch and learn seminars with some of the industry leading manufactures and vendor reps on the market today. We will offer a morning 9am and mid-day 11:30 am session. This will include a 1-hour presentation on the topics below and followed by food and beverages. Please confirm your preferred time slot when emailing in your reservation to Lunchandlearn@rmct.net Limited spots are available so please reserve your seat today. Please RSVP no later than 7 days prior to the event in which you would like to attend.

March 24th Eric Cross with Gorilla Mill "What causes tool failure"

May 13th Joe Kuehler with Qualichem "Choosing and maintaining the correct coolant"

July 12th Erik Nekich with 5th Axis "All things work holding"

September 15th Chris Hand with SGS "Cutting high temp Alloys" * Date Chaged to Sept. 29th

November 16th David Katz with Ingersoll "Indexable's drilling, turning and more"
